Tre-Uniti (Belle-Idee) ("us", "we", or "our") operates <https://belle-idee.org> (the "Site"). This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site.

We use your Personal Information for providing, maintaining, and improving the Site. By using the Site, you agree to the collection and use of information in accordance with this policy.

Information Collection and Use

While using our Site, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to, your name, email, and address ("Personal Information"). When you sign up for a sponsorship you give the sponsor the ability to send promotions to your email through Idee. Additionally, a Sponsor may verify your sponsorship by checking your username as a valid recipient. Beacons may send announcements to your email through Idee if you have recently posted with their Beacon Tag. Idee does not otherwise share any of your information with 3rd parties.

Log Data

Like many site operators, we collect information that your browser sends whenever you visit our Site ("Log Data").

This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

In addition, we may use third party services such as Google Analytics that collect, monitor and analyze statistics.

Communications

We may use your Personal Information to contact you with newsletters, marketing or promotional materials. When you select a Sponsor or post with a Beacon Tag you may receive their monthly promotional deal or announcement sent out by Idee through email unless you opt-out by setting your email frequency to a lower tier (configure in settings->personal->email frequency). Additionally, beacon and sponsor managers will receive monthly usage emails and invoices.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Parental Rights

If a user is under the age of 13 they must provide parental consent to use the Site. Belle-Idee will not require a child to disclose more information than is reasonably necessary to participate in the community. Parents can review their child's personal information and direct us to delete it, and refuse to allow any further collection or use of the child's information. The parents can agree to the collection and use of their child's information, but still not allow disclosure to third parties unless they okay Sponsor promotions and Beacon announcements. To allow a child under 13 to use Belle-Idee or modify or delete an existing account the parents may contact us at tre-uniti@belle-idee.org
